### **Call to Order/Pledge of Allegiance**

- The meeting was called to order on March 7, 2012 at 7:00pm.

### **Call to the public**

- D. McCarthy spoke from the public and voiced his concerns about fire hydrant inspections, the need for a generator in case of no power and a fire, and his wish for the roads to be maintained. The board informed him that they do properly inspect the fire hydrants, a generator is in the budget and they are working towards purchasing one, and they are currently working on moving forward with the road maintenance.

### **Old Business**

- February 2012 minutes were read, amended, and approved.

### **New Business**

- Residents from Brekenwood voiced their concerns to the board about the road maintenance charges. They explained that the residents of Brekenwood would not benefit from the roads being maintained because the residents already pay to have paved roads to drive on in their subdivision. These residents understand that there will currently be no charge for the road maintenance, but they were concerned for future charges that may need to take place for the road maintenance. The board members spoke of the benefit for the community as a whole in regards to the road maintenance. The board also stated that voting had taken place where the majority of the district residents voted in favor of the road maintenance. After much discussion, the board members said that a decision will be made in an executive meeting.

### **Adjournment**

- Elizabeth Fulghum moved to adjourn the meeting
- Joe Overton second the motion
